

Programme of PhD studies in Molecular Biology for Foreigners 2016/2017

1st year

1st semester

Course	Hours	Credits
PhD laboratory	400	4

2nd semester

Course	Hours	Credits
PhD laboratory	400	4
Polish lessons	30	6

2nd year

3rd semester

Course	Hours	Credits
PhD laboratory	400	4
Polish lessons	30	6

4th semester

Course	Hours	Credits
PhD laboratory	400	4

3rd year

5th semester

Course	Hours	Credits
Seminar	30	4
PhD laboratory	400	4

6th semester

Course	Hours	Credits
Seminar	15	2
PhD laboratory	400	4

Before the end of 6th semester PhD student must open doctoral procedure.

4th year

7th semester

Course	Hours	Credits
PhD laboratory	400	4

8th semester

Course	Hours	Credits
Elective discipline (agreed by Faculty Council)	30	5
PhD laboratory	400	4

Sum of ECTS: 55

Studies may start from either of the winter or summer semester.

English lessons (30 h) are optional.

Attendance is required at seminars in the Faculty of Biotechnology if they are in English.
